

**THE BEST ENTERTAINMENT
FOR YOUR EVENT**

ONLINE EDITION

QUIZ, PLEASE! IS A VERY CONVENIENT GAME FORMAT THAT FITS ANY EVENT

For **official or unofficial** events

From **2 players** to as many as you can count

For young boys and girls or **respectable ladies and gents**

Wherever there is an internet connection

It can be a part of the celebration or **the theme for the whole event**

It can be streamed at any time: morning, **day**, evening, **night**

GAME RULES

Everything will be almost the same as during our classic games: **host, music, and terrific questions.**

The only thing is that everyone will have to get food and drinks by themselves. But we know it's not a problem for you!

GAME RULES

Actually, it's not quite a classic — we play **online**. There are **seven rounds** with **dozens of questions**. As a result, you get two hours of intellectual fun.

Stream links and e-forms for the answers are sent to your corporate e-mail.

It's great for both **beginners** and **experienced players**, and there can be **as many people as you like in a team**: get together, call up, or create a separate chat — do it just the way you like.

A diverse knowledge can come in handy: from the varieties of antiseptics to the plot of the movie "The Day After Tomorrow".

Needless to remind you, but still: **Googling is a shame!**

GAME PROCESS

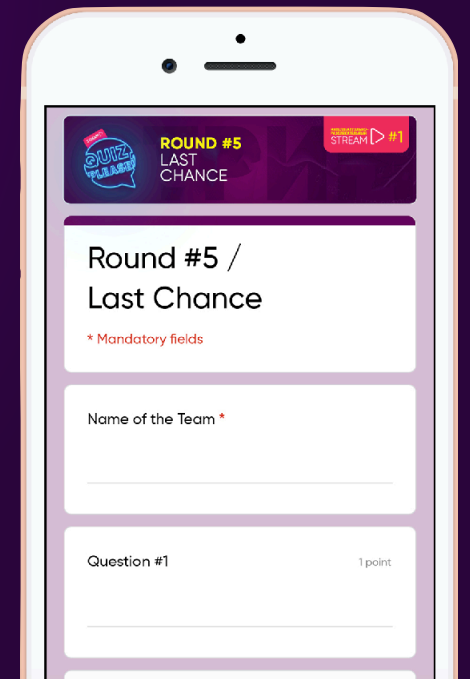

We'll play a classic but virtual **7-round** game with two breaks. The **host is real**, though!

The host announces the **game rules and questions** from the screen.

You'll only need:

- Stable internet connection;
- Laptop/Smartphone;
- Great mood.

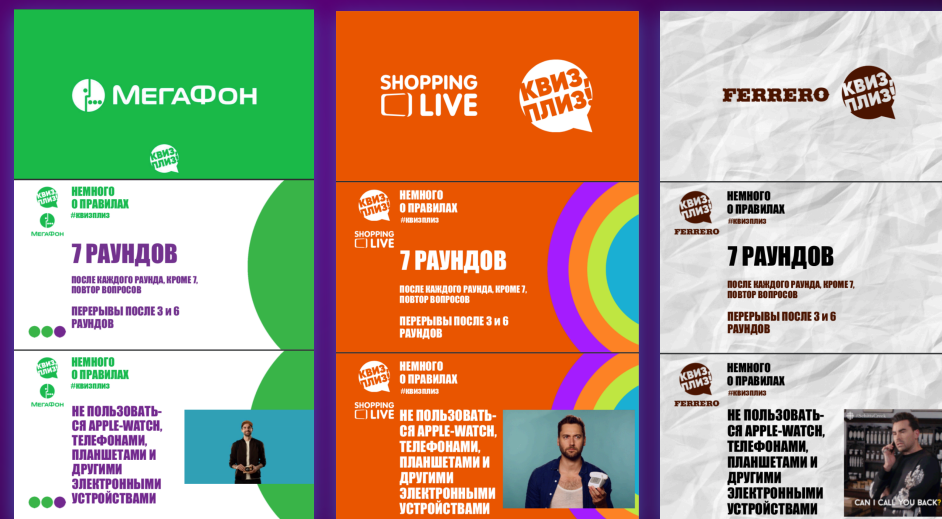

We recommend that for the stream you use two devices or two browser tabs. On the first device – you listen to the question, on the other – you fill in the answers in the e-form.

CUSTOM GAME BRANDING

We can create a special section with **themed questions** relevant to your company.

We can also **design the game elements** according to your brand book and identity guidelines: e-forms, presentation, certificates, and splash screens.

We'll be happy to calculate the exact cost of Quiz, please! for your event. The final price will depend on the selected options.

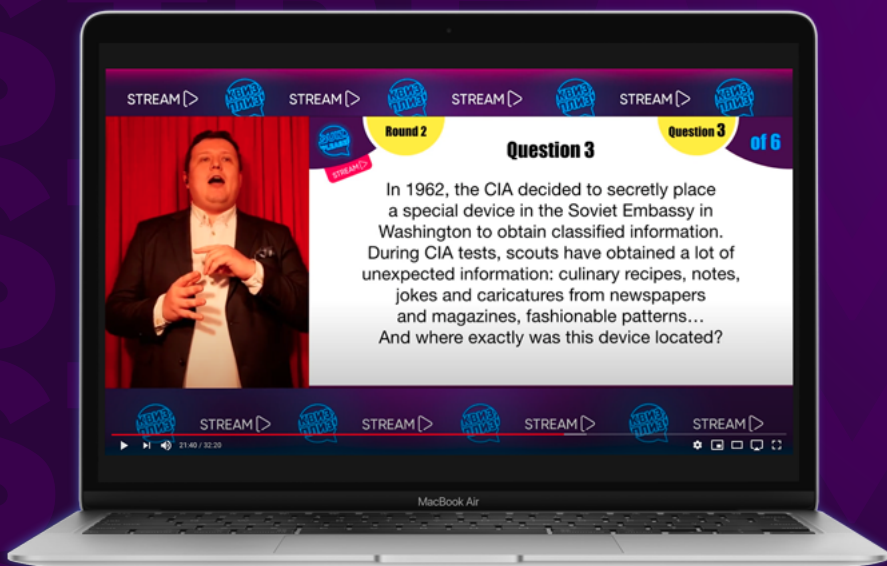

GAME PROCESS

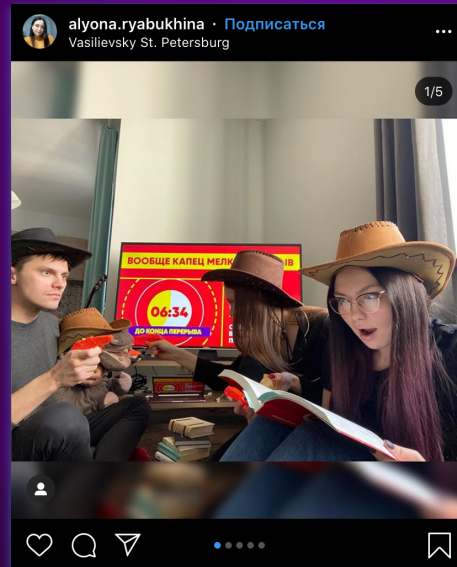

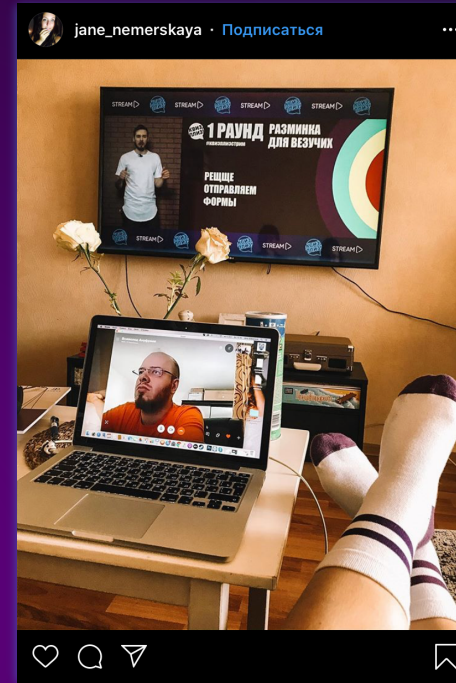

Answers to the questions should be filled into a **special e-form**, and after **each** round this form will be **sent to the assistants** for evaluation. The teams will get points for correct answers.

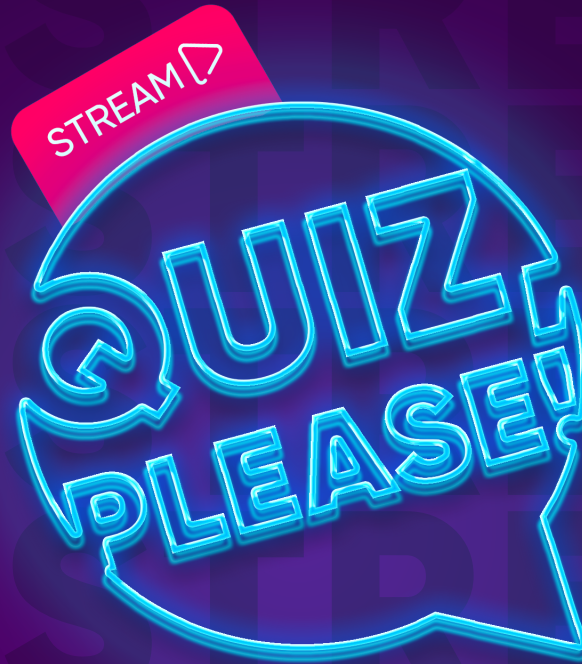

The team with the most points wins!

At the end of the game, the players will have a **virtual award ceremony** for the winners.
